

DOVER STRAIT SURVEY STRATEGY

- 1/ Area of interest
- 2/ Review of actions (NSHC 29th and Brussels meeting in january 2011)
- 3/ Proposed actions

Area of interest

TSS « North Hinder South »

TSS « In the Strait of Dove rand Adjacent Waters »

Review of actions

NSHC 29th decided :

- a) To discuss the results of the studies presented on the subject (all)
- b) To adopt common dunes characterization criteria (all)
- c) To discuss on areas of responsibility for survey vs. charting (all)
- d) To implement a survey strategy (each nation)

Actions a – b – c : discussed in Brussels meeting.

Action d : in progress. FR wrote its new strategy – surveys following this new strategy will begin in 2013.

Review of actions

Meeting in Brussels 20th January 2011 decided :

1. Send current median line co-ordinates to FR by end Jan All
2. Produce a draft diagram of the new extents and limits of the Agreement by end Feb FR
3. Draft new Agreement by end Jul UK
4. Copy letter to NL re survey in B waters to DSSS WG and NSHC Chair end Feb BE
5. Data collected in other nation's waters to be exchanged, following agreement on format and medium, by end June All
6. Advise the process MCA used to obtain INTERREG funding for the JIBS and INIS Hydro projects by end Feb UK
7. Provide the dunes dangerousity criteria to All by end Feb and provide comments under the silence procedure by end Jun All

Actions 1-2 : FR thinks that no diagram is necessary because the area is well defined by the limits of TSS in the IMO « Ships' Routeing » and the national limits (territorial waters and EEZ).

Review of actions

Meeting in Brussels 20th January 2011 decided :

1. Send current median line co-ordinates to FR by end Jan All
2. Produce a draft diagram of the new extents and limits of the Agreement by end Feb FR
3. Draft new Agreement by end Jul UK
4. Copy letter to NL re survey in B waters to DSSS WG and NSHC Chair end Feb BE
5. Data collected in other nation's waters to be exchanged, following agreement on format and medium, by end June All
6. Advise the process MCA used to obtain INTERREG funding for the JIBS and INIS Hydro projects by end Feb UK
7. Provide the dunes dangerousity criteria to All by end Feb and provide comments under the silence procedure by end Jun All
