## IRRC8: Keypoints (1)

- On IHO Council
  - IRCC under IHO Council, ie. not a voice in Assembly
  - Mandate or decision-making power of Council unclear
  - Schedule: each year in Oct/Nov, also in Assembly year
- On CBSG
  - New funding rule: level of support is  $f(\text{BNP})$
  - Request for 'proper' secretarial support by IHB
  - Interesting: opportunity to fund CB via the World Bank
- On WEND
  - Agreed wording on the use of MIO's (applies to AIO)
  - Further details in agenda item B.3

## IRRC8: Keypoints (2)

- MSDI
  - IHO a real role to play: governance
  - DEVELOP S-100
    - > Agenda item B6 (temporal variation)
  - Minimal level of Meta data is a prerequisite
  - Interesting: relation with OGC for standards
- CSBWG
  - High momentum: How to get 'trusted' CSB
    - > Guidance doc: uncertainty, legal/liability
  - Various pilots
  - "Even bad data has value"
- IENWG: agenda item B.4.1

## IRRC8: interventions

- IBSC: minimum duration of courses
  - Ref : proposal JAP for a additional CAT B syllabus
  - Input as previously coordinated:
    - > Focus on the 'what', not be overly prescriptive, scrub remark "...should ensure minimum duration..." in the guidelines
- Strategic plan: SPI/WPI
  - Scrub PI's with no metrics or with indication of no use
  - Revisit all PI as to their 'management' value
    - > None were used as such during IRCC
- IRCC workplan/agreed tasks
  - Dissolve into extant actions and decisions

## Way ahead IRCC Actions and Decisions

- Input in written report not challenged
- No contradictory information/decisions during IRRC8
- Continue as planned
  - Open Actions (next slide)
  - Continuous Action (as you have read, eg. C-55)
  - Closed or completed Action
- Suggested to sanitise IRRC Action items into
  - Active/open Actions with a concrete deliverable
  - Continuous Actions not dealt with elsewhere and still requiring oversight/review by IRRC
