

HYDROGRAPHIC INSTITUTE OF THE REPUBLIC OF CROATIA

Appropriate Portfolio
of
up-to-date
Paper Charts

SPLIT, June 2019

PREFACE

Waters for international shipping under Croatian responsibility are fully covered by ENC's, and:

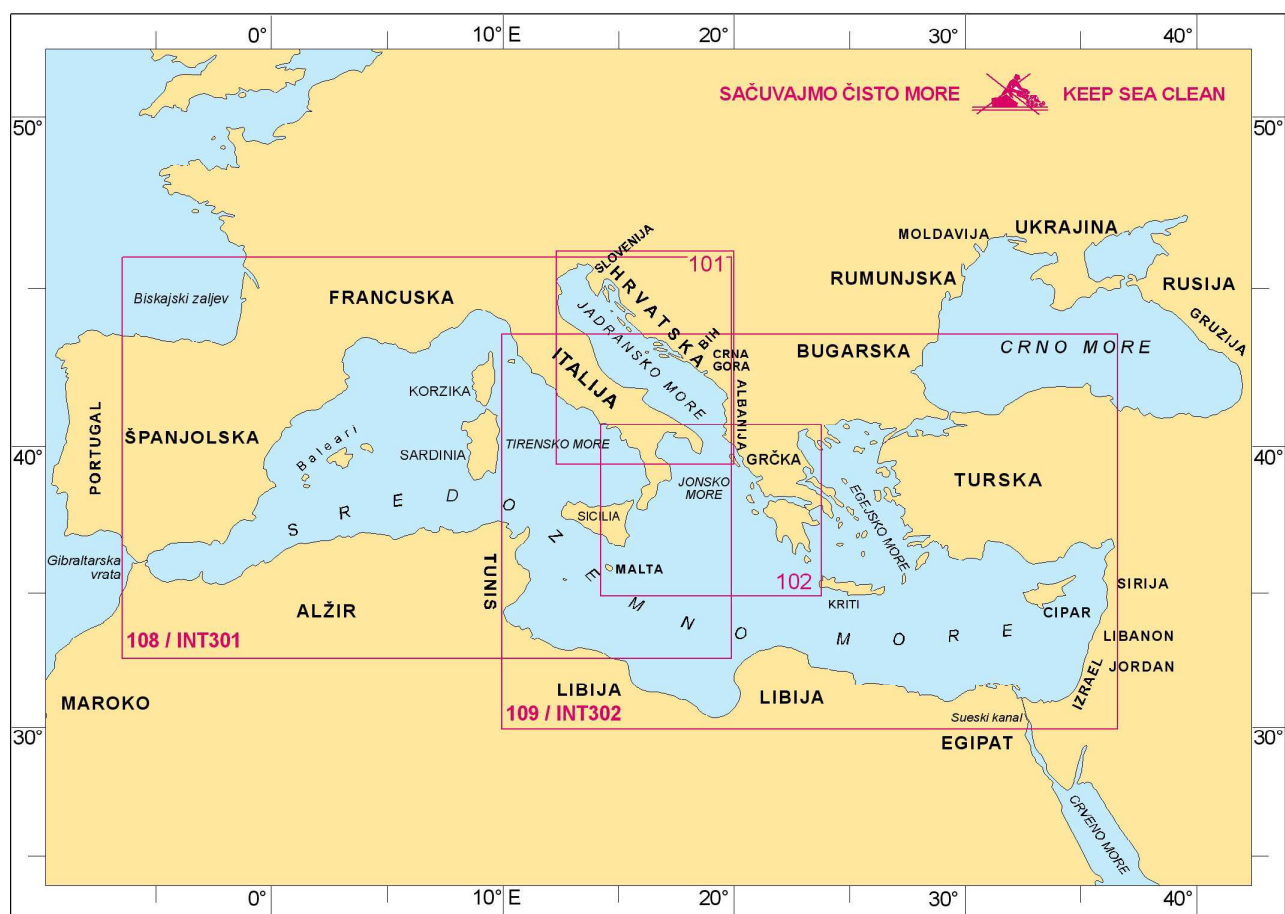

1. No charts in RCDS mode shall be used;
2. Appropriate Portfolio of up-to-date Paper Charts (APC) for backup purposes for a single ECDIS using ENC's is listed in Catalogue of Nautical Charts and Publications (monthly updated);
3. Prior to each voyage, the decision on adequate and appropriate portfolio of up-to-date paper Charts for backup purposes shall be the responsibility of the Captain.

Please refer to Croatian "Notice to Mariners" in order to keep up-to-date the list of charts and nautical documents.

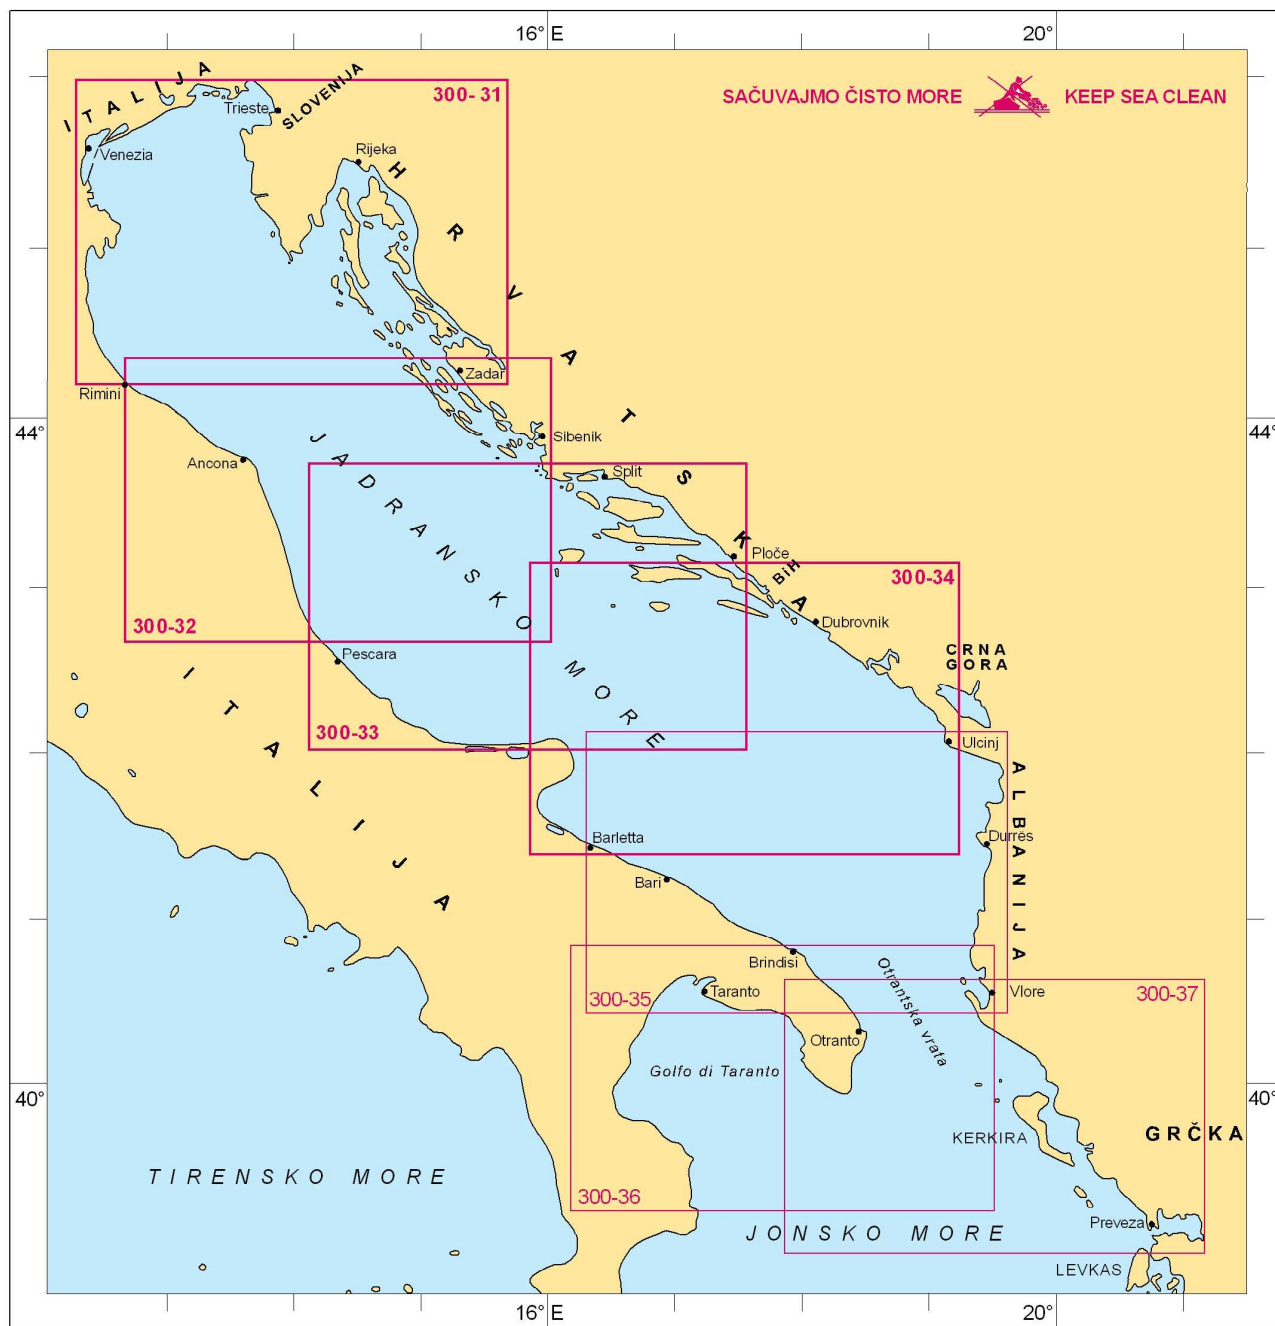

Online catalogue is available on:
