"TRAINING COURSES IN HYDROGRAPHY AND NAUTICAL CARTOGRAPHY"
IHO publication S-47, 5th edition

Dear Sir,

Attached is a copy of the 5th edition of the IHO publication S-47 "Training Courses in Hydrography and Nautical Cartography".

This publication has been produced thanks to the information received from the IHO Member States and from other institutions and organisations contacted by the Bureau. However, information regarding some Hydrographic Offices that are known to be running courses has not been included or is incomplete due to a lack of response from these Services. The Bureau encourages all Hydrographic Offices to send the necessary information to complete the entry of their countries in the next edition.

You are reminded that the information provided will be made available from the IHB WEB site.

On behalf of the Directing Committee
Yours sincerely,

Rear Admiral Giuseppe ANGRISANO
President
