WINNER OF 1999 COMMODORE COOPER MEDAL

SELECTION FOR PRINCE ALBERT 1st MEDAL FOR THE YEAR 1999

Reference : IHB Fax dated 17.01.00 to Chairmen, Regional Hydrographic Commissions

Dear Sir,

The Bureau has received the replies on the above subject from the Chairmen of the Regional Hydrographic Commissions.

The result of the voting for the selection of the winning article for the 1999 Commodore Cooper Medal and the nomination for the Prince Albert 1st Medal is as follows :

Selection for Prince Albert 1st Medal

"The Role of the Hydrographic Office" by Mr. W. SALMON (UKHO)

Commodore Cooper Medal (1999)

"Automatic Detection of Punctual Errors in Multibeam Data using a Robust Estimator" by N. DEBESE and H. BISQUAY (EPSHOM, France)

The Directing Committee wishes to congratulate the winners on these results and to thank the Regional Hydrographic Commission Chairmen for their most valuable assistance in making the selection.

The date and place for the presentation of the Commodore Cooper Medal will be communicated at a later date.

On behalf of the Directing Committee,
Yours sincerely,

Rear Admiral Giuseppe ANGRISANO
President
