CIRCULAR LETTER 25/2000
21 June 2000

LICENCING OF THE TITLE "INTERNATIONAL HYDROGRAPHIC REVIEW"

MEMBER STATES' APPROVAL

Reference: IHB CL 17/2000

Dear Sir,

A total of thirty-seven responses have been received to CL 17/2000. Out of the 37 replies, 35 Member States are in favour of licencing the "International Hydrographic Review" title to GITC (The Netherlands) and two Member States (Chile and China) are opposed to this idea.

Four Member States have expressed reservations regarding the terms of the contract as it is presented in CL 17/2000 and the Directing Committee is currently reviewing the contract conditions in order to bring them in line as far as possible with the Member States' views. The contract will be implemented shortly.

On behalf of the Directing Committee
Yours sincerely,

Rear Admiral Giuseppe ANGRISANO
President
