CIRCULAR LETTER 43/2000
27 September 2000

**PUBLICATION AND DISTRIBUTION OF VOLUME 1, NO. 1 OF THE NEW SERIES
OF THE INTERNATIONAL HYDROGRAPHIC REVIEW**

Reference: IHB Circular Letter 25/2000

Dear Sir,

Volume 1, No. 1 of the new series of the International Hydrographic Review was published in July 2000 and dispatched in late August 2000. Member States should by now have received three copies. Member States are kindly requested to advise the IHB of any distribution difficulties.

The IHO has subscribed for only three copies per Member State. Member States requiring additional copies should advise the publisher. There will be an additional cost for this service, because the I.H. Review is now a commercial publication.

Volume 1, No.2 of the I.H. Review will be published in November 2000.

On behalf of the Directing Committee

Yours sincerely,

Commodore John LEECH
Director
