**IHO YEARBOOK - 2001 (P-5)**  
**(Web Site Version)**

—————  
**Correction Sheet for**  
**IHO YEARBOOK - 2000**  
**(yellow-covered printed version)**

Reference: IHB CL 32/2000 dated 31 July 2000.

Dear Sirs,

We are pleased to inform you that the 2001 edition of the IHO Yearbook (P-5) has been placed on the IHO Web Site and may be consulted in the usual way by Member States.

It has, however, been decided not to reprint the small, yellow-covered printed version of the IHO Yearbook this year and we are therefore providing you herewith a list of the main corrections which should be made to that edition.

It should be further noted that, following a number of requests from Member States, we have decided to revert back to a format similar to the one used in the past (e.g. 1999) where information concerning both Member States and non-Member States will be printed in one single volume.

Member States are urged to continue to send corrections to the Bureau as and when important changes take place (such as a change of Director or Hydrographer, E-mail addresses, new telephone or Fax numbers, etc.).

Thank you for your cooperation.

On behalf of the Directing Committee  
Yours sincerely,

Rear Admiral Neil GUY  
Director
