P-7: ANNUAL REPORT OF THE IHO FOR 2000

PART 1 - GENERAL

Dear Sir,

We are pleased to forward you herewith the IHO Annual Report, 2000, Part 1 - General (English version) on the work conducted by the International Hydrographic Bureau throughout the calendar year 2000. The French and Spanish versions will be issued in due course.

A new format has been adopted for this Annual Report to bring it in line with the structure of the Work Programme which you will recall was adopted, along with the IHO Strategic Plan, at the 2nd Extraordinary International Hydrographic Conference held in March 2000. The new structure will hopefully facilitate cross-referencing.

You are kindly requested to review the Report and forward any comments you may wish to make on its content to the Bureau. Suggestions on ways to improve the overall presentation or to make it clearer would be most welcome.

This publication is also available on the IHO Web site.

On behalf of the Directing Committee
Yours sincerely,

Rear Admiral Giuseppe ANGRISANO
President
