

IHB File No. S3/3084

CIRCULAR LETTER 47/2002
22 October 2002

CHAIRMANSHIP OF THE IHO COMMISSION ON THE PROMULGATION
OF RADIO NAVIGATIONAL WARNINGS

Reference: CL 25/2002

Dear Hydrographer,

You may recall that the Chairman of the IHO Commission on the Promulgation of Radio Navigational Warnings (CPRNW), Mr. Elroy A. SOLURI (NIMA-USA) retired on 30 September 2002 and on the same date resigned as Chairman of the CPRNW.

IHO Circular Letter 25/2002 proposed Mr. Peter DOHERTY (NIMA - USA) as new Chairman of the CPRNW and Member States were requested to inform the Bureau if they had other candidates to nominate for the Chairmanship of the CPRNW.

The 10 Member States who responded either explicitly supported Mr. DOHERTY or, at least, did not raise any objection. Therefore Mr. DOHERTY is appointed as the new Chairman of the CPRNW. According to the Terms of Reference of the CPRNW, the appointment has to be confirmed at the next meeting of the Commission.

On behalf of the Directing Committee
Yours sincerely,

(original signed)

Vice Admiral Alexandros MARATOS
President
