CIRCULAR LETTER 2/2003

IHO PUBLICATION

S-62 “IHO Codes for Agencies Producing S-57 Data” – Edition 1.1

Reference: IHB Circular Letter 64/2002 dated 19 December 2002.

Dear Hydrographer,

Since issuing Circular Letter 64/2002 forwarding, inter alia, Edition 1.0 of the new IHO Publication S-62 “IHO Codes for Agencies Producing S-57 Data”, it has been noted that the Russian Federation and Singapore had been inadvertently omitted from the list of IHO Member States. This has now been corrected and a new edition 1.1 has been produced, which is available on the IHO website (<http://www.iho.shom.fr>) where it can be downloaded from the ‘Free Publications’ section. Furthermore, paper copies may be obtained from the IHB upon request.

We apologise for this error.

On behalf of the Directing Committee
Yours sincerely,

(original signed)

Rear Admiral Kenneth BARBOR
Director
