

IHB File No. S3/2630

CIRCULAR LETTER 24/2003
13 March 2003

COMPOSITION OF THE JOINT IHO-IOC GUIDING COMMITTEE FOR GEBCO

Reference: 1) IHB Circular Letter No. 53/2002 dated 18 November 2002
2) IHO-IOC Publication B-7 "GEBCO Guidelines"

Dear Hydrographer,

1. CL 53/2002 in Reference 1) above requested Member States to submit nominations to the IHB for the vacant post on the IHO-IOC Guiding Committee (G.C.) for GEBCO, following the resignation of Ingénieur général Patrick SOUQUIÈRE (France) who retired from SHOM on 30 June 2002.

2. Four nominations were received at the IHB in response to CL 53/2002 :

- Ingénieur général Etienne CAILLIAU, France
- Captain Valeriy FOMCHENKO, Russia
- Captain Nikolai F. GOLODOV, Ukraine
- Cdr. Paolo LUSIANI, Italy

The Curriculum vitae/biographical information for these candidates are provided in Annexes A, B, C and D (in English only).

3. The present list of members of the Guiding Committee is given in Annex E. Member States are kindly requested to examine the enclosed CVs and to complete the Voting Paper in Annex F indicating the candidate who, in their opinion, would best represent the IHO on the GEBCO Guiding Committee. Replies should reach the IHB by 1st May 2003. The candidate with the most votes will be appointed to the GEBCO Guiding Committee.

4. The IHB takes this opportunity to thank SHOM for having made Ingénieur général SOUQUIERE available for the Guiding Committee.

On behalf of the Directing Committee.

Yours sincerely,

(original signed)

Captain Hugo GORZIGLIA
Director

During the period of hydrographic service, he participated in oceanographic surveys in the Atlantic and Indian Oceans, Mediterranean, Black and Azov Seas, took part in drawing up of reports for compilation of nautical charts.

CURRICULUM VITAE : CDR. PAOLO LUSIANI

Born in 1958, he attended the Italian Naval Academy in Livorno from 1977 to 1981.

After the Naval Academy he attended the Navigation and Telecommunication Course at the Navy Training Centre in Taranto.

Then he was the navigator in different ships and executive officer on sail training ships of the Italian Navy and in 1984 he attended the Superior Course at the Italian Naval Academy in Livorno.

From 1984 to 1986 he attended the course in hydrography at the Italian Hydrographic Office where he obtained the FIG - IHO Class "A" certificate in hydrography.

He had different experiences as hydrographic and oceanographic officer on board of Italian Survey Vessels working in the Mediterranean Sea, Arctic Sea and also Antarctic Sea within the Italian Antarctic Project.

From 1990 to 1996 he worked at the Italian Hydrographic Office as Chief of Geophysics Division and Chief of Instruments Division.

In the same period he was teacher of oceanographic measurements at the HO (level "A" course) and also lecturer at International Maritime Academy in Trieste.

He was also the Italian delegate to the Nato Military Oceanography Main Group (MILOC Main Group).

From 1996 to 1998 he was Executive Officer on board of the Italian Navy frigate "Alpino" and from 1998 to 1999 Commanding Officer of the Italian Navy Sailing Ship "Palinuro".

At the end of that period he returned to the Italian Hydrographic Office where he was Chief of the Cartographic Division from 1999 to 2001 and where he is now the Chief of Survey and Production Department.
