"TRAINING COURSES IN HYDROGRAPHY AND NAUTICAL CARTOGRAPHY"
IHO publication S-47

Dear Hydrographer,

The current edition of the IHO publication S-47 was compiled in 2001 and is periodically updated with information provided by Member States and individuals with activities in the academic environment.

To ensure that this publication, which is available free of charge on the IHO web site, is kept up to date, you are encouraged to check the information relating to your country and provide the IHB as much information as possible on all training programmes in hydrography of which you may be aware and which are not listed in the current edition of the publication. A form is provided herewith to standardize and facilitate the provision of information. You can send it to the IHB by mail, Fax or e-mail at your convenience.

You are reminded that any information provided will be made available on the IHO web site.

On behalf of the Directing Committee
Yours sincerely,

(original signed)

Captain Hugo GORZIGLIA
Director
