**CIRCULAR LETTER 54/2004**  
**2 August 2004**

**NIPPON FOUNDATION - GEBCO TRAINING PROJECT**

Dear Hydrographer,

Reference CL10/2004 dated 6 February 2004

In the above referenced Circular Letter the IHB sought nominations for candidates to attend the Nippon Foundation / GEBCO Training Project Postgraduate Certificate in Ocean Bathymetry which is being held at the University of New Hampshire in the USA. There was an extremely good response and altogether there were 57 applications from 32 countries. The selection team produced a short list of 16 from which the final 7 successful candidates were selected. They are:

ANGWENYI, Clive Angwenyi	Kenya	Kenya Marine And Fisheries Research Institute
KARLAPATI, Srinivas	India	National Institute of Oceanography
MONTORO CACERES, Hugo Dante	Peru	Peruvian Hydrographic Service
MORISHITA, Taisei	Japan	Japan Coast Guard
MUSTAPHA, Abubakar Abdullahi	Nigeria	Nigerian Navy Hydrographic Office
REYNOSO PERALTA, Walter Luis	Argentina	Hydrography Naval Service
SHARMA, Shereen Lata	Fiji	University of the South Pacific

The IHO congratulates these students on their selection and wishes them well for the course which will provide long term benefits to them, their countries and the joint IHO/IOC GEBCO Programme.

A further CL will be issued seeking nominations for the September 2005 intake of students and Member States are urged to be ready to make nominations when invited.

On behalf of the Directing Committee  
Yours sincerely,
