### FACTS ABOUT CHARTS AND CARRIAGE REQUIREMENTS

Reference: IHB CL 88/2005 dated 31 August 2005.

Dear Hydrographer,

Further to the above-referenced Circular Letter, the IHB is pleased to report that an official French translation of the subject document has been produced by the French Hydrographic Service (SHOM) and is available for download from the SHOM website ([www.shom.fr](http://www.shom.fr)).

Member States were requested to fill out a questionnaire, which was attached to CL 88/2005, and to send it to the UKHO (Attn: Mr. Chris Smith). The deadline for response was not specified and we therefore kindly request Member States to forward their completed questionnaire to the UKHO **by 15 November 2005**.

The Bureau is most grateful to SHOM for producing a French version of this document.

On behalf of the Directing Committee  
Yours sincerely,
