Dear Hydrographer,

Norway has brought to the attention of the IHB that there are two minor editorial amendments in Article XXIII, only of the English text of the Consolidated version of the Convention sent through diplomatic channels by the Government of Monaco to the IHO Member States for approval.

These amendments are as follows:

1. In the penultimate paragraph, the word "THEREOF" must be replaced by "WHEREOF".
2. In the last paragraph, last line, the word "States" must be replaced by "Governments"

The IHB has informed the Government of Monaco of this issue in order that Member States be informed properly through diplomatic channels, about these editorial amendments.

On behalf of the Directing Committee  
Yours sincerely,

Vice Admiral Alexandros MARATOS  
President
