Dear Hydrographer,

The IHB has provided the United Nations International Tribunal for the Law of the Sea with a list of national technical experts on the Law of the Sea.

The first list was prepared by the Bureau as a result of responses to Reference A, and was subsequently sent to Member States at Reference B. In 1998, Member States were requested to examine the list and to inform the Bureau of any changes (Reference C). Subsequent amendments were requested at Reference D and a revised list was distributed to MS at Reference E.

The list, which was sent out with Reference E and which is attached to this CL, is now 3 years old. You are now kindly requested to forward updated entries to reach the IHB **by 21 April 2006**. The updated list will be placed on the IHO web site. The IHB will seek updated information on an annual basis, however MS may update their entries at any time.

On behalf of the Directing Committee,  
Yours sincerely,

Vice Admiral Alexandros MARATOS  
President
