**IHO MANUAL ON HYDROGRAPHY (M-13)**  
**SPANISH VERSION**

Reference: IHB CL 05/2006 dated 13 January 2006

Dear Hydrographer,

This is just to inform you that the Spanish version of the Manual on Hydrography (M-13) has been duly reviewed and the final version has been uploaded on to the IHO web site [www.iho.shom.fr](http://www.iho.shom.fr) > Publications > Catalogue > M-13 for your convenience. This publication can be freely downloaded.

As reported in the CL referenced above, the Chilean Naval Hydrographic and Oceanographic Service has volunteered to print this Manual for the Spanish-speaking countries; the IHB has now provided the complete set of files to Chile so that the printing of the Manual may proceed.

Once again the IHB would like to congratulate and thank all those who have actively participated in this joint effort.

On behalf of the Directing Committee,  
Yours sincerely,

Captain Hugo GORZIGLIA  
Director
