NIPPON FOUNDATION - GEBCO TRAINING PROJECT – YEAR 3

Reference: IHB CL 09/2006 dated 23 January 2006

Dear Hydrographer,

In the above referenced Circular Letter the IHB sought nominations for candidates to attend the Nippon Foundation / GEBCO Training Project Postgraduate Certificate in Ocean Bathymetry which is being held at the University of New Hampshire in the USA. There was an extremely good response and the selection team produced a short list of the following 6 candidates who started their classes at the end of August. They are:

KATAGIRI, Yasutaka,	Japan	Hydrographic and Oceanographic Department Japan Coast Guard
YAZID, Muhammad	Indonesia	Indonesian Hydrographic Service
PRABHAKAR, Vasudev	India	EEZ Mapping Agency
TUN Humbert, Leonardo	Mexico	Direccion General Adjunta de Oceanografia, Hidrografia y Meteorologia.
GIANELLA, Jose	Peru	Direccion de Hidrografia y Navegacion
THANH, Nguyen Duy	Vietnam	Research Institute for Marine Fisheries

The IHO congratulates these students on their selection and wishes them well for the course which will provide long term benefits to them, their countries and the joint IHO/IOC GEBCO Programme.

On behalf of the Directing Committee
Yours sincerely,

Captain Hugo GORZIGLIA
Director
