**IHO PAGE IN HYDRO-INTERNATIONAL**

Dear Hydrographer,

The publishers of Hydro International have offered the IHO the opportunity to have a 1-page article published in their magazine 3 times each year; the magazine is published monthly. The IHB considers that this will provide a useful opportunity to inform the wider hydrographic community on relevant activities of the IHO.

The article to be titled "News from the Bridge of the IHO" will appear for the first time in February 2007; it will look forward to the XVII<sup>th</sup> IHC and highlight some recent IHO publications.

On behalf of the Directing Committee  
Yours sincerely,

Vice Admiral Alexandros MARATOS  
President
