CIRCULAR LETTER No. 49/2007
01 June 2007

IHO PUBLICATION INT 2
Borders, Graduations, Grids and Linear Scales
Edition No. 4, 2007

Reference : CL 05/1991 dated 30 January

Dear Hydrographer,

1 The Netherlands Hydrographic Office (NLHO) has published, on behalf of the IHO, Edition No. 4, 2007 of Publication INT 2 "*Borders, Graduations, Grids and Linear Scales*". A copy is attached. This new edition of INT 2 is trilingual, i.e. English, French and Spanish (the previous editions of INT 2 were bilingual, English and French). INT 2, which supplements IHO Publication M-4 (like INT 1 and INT 3), shows specimens of the various patterns of border graduation and linear scales.

2 The IHB holds a limited number of copies, kindly supplied by NLHO, and one or two additional copies can be made available to Member States upon request to the IHB. Those Member States wishing to obtain more copies are invited to contact NLHO directly.

3 As for any INT chart, Sections A-500 and A-600 of the IHO Regulations for INT Charts (M-4, Part A) apply in case of reproduction of this edition of INT 2 by other Member States.

4 The digital version of INT 2, Edition 4 is freely available from the Web site of the IHO (www.iho.int > Publications > Download List).

5 Any updates to INT 2 will appear on the IHO website, in the special section of the CSPCWG, specifically devoted to the maintenance of INT 1, INT 2 and INT 3.

6 This new Edition No. 4 of INT 2 supersedes the previous edition No. 3, published by NLHO in 1990 and announced by the Circular Letter in reference.

7 The Bureau is grateful to the NLHO for taking responsibility for the production of INT 2, on behalf of the IHO. Thanks are also conveyed to the Hydrographic Offices of France, Spain, UK and Germany, which provided assistance in the preparation of this new edition of INT 2.

On behalf of the Directing Committee
Yours sincerely,

Rear Admiral Kenneth BARBOR
Director
