**CIRCULAR LETTER No. 06/2008/Rev.
22 January 2008**

**PARTICIPATION IN THE IHO WORKING GROUP TO REVIEW THE IHB STAFF
REGULATIONS**

Reference: CL 103/2007 dated 09 November

Dear Hydrographer,

- 1 The Bureau would like to thank the following Member States who responded to the above referenced Circular Letter: Australia, Brazil, Canada, Cuba, Denmark, Norway, Pakistan, Spain, UK and USA. The composition of the Working Group is indicated at the Annex.
- 2 In order to avoid possible errors and confusion with the acronym ISPWG used for the Strategic Plan Working Group, the UKHO has proposed the acronym SRWG (Staff Regulations Working Group). The Bureau agrees with this proposal.
- 3 The Chair Group of the SRWG met for the first time at the German Hydrographic Service in Hamburg on the 12th December to discuss and decide the working procedure of the SRWG. The minutes of this meeting when finalized and any other documents concerning the work of the SRWG, will be posted on the IHO web site under Committees/SRWG.
- 4 Unfortunately, certain Member States who had responded to CL 103/2007 were omitted in Circular Letter No. 06/2008 and this revised version is being issued to rectify that error. Circular Letter No. 06/2008 dated 15 January 2008 is therefore cancelled.

On behalf of the Directing Committee
Yours sincerely,

Vice Admiral Alexandros MARATOS
President
