IHB File No.S1/1005/A

**CIRCULAR LETTER 104/2008
12 December 2008**

**NEW IHO WEB ADDRESS
www.iho.int**

Dear Hydrographer,

- 1 As Member States have probably noticed the IHO's website has been given an overhaul to reflect the ongoing changes within the Organization. We are still working on improving the content and the ability to navigate easily on our site.
2. With these changes has come a change of web address too. You may also have already noticed that the old address (iho.shom.fr) which is still activated, redirects users automatically to the new address : www.iho.int
3. Subsequently, the IHB requests that Member States take note of this official change of the Organization's internet address.

On behalf of the Directing Committee
Yours sincerely,

Captain Robert WARD
Director
