Dear Hydrographer,

1. The Directing Committee wishes to thank those Member States who commented on CL7/2009 concerning the application of the Inland ENC Harmonization Group (IEHG) for accreditation to the IHO as a Non-Governmental International Organization (NGIO).

2. As a result of the consistently positive support of IEHG's application from those Member States who responded, and in the absence of any negative comments, the Directing Committee is pleased to add IEHG in the list of accredited observers to the IHO and will inform IEHG accordingly. The Directing Committee will also include the IEHG in the list of observers to the forthcoming 4<sup>th</sup> EIHC.

On behalf of the Directing Committee,  
Yours sincerely,
