Dear Hydrographer,

1 In accordance with Article 8 of the IHO Financial Regulations, the above-referenced Circular Letter requested the Finance Committee Members to review and provide comments on the Proposed IHO 2010 Budget by 20 September 2009.

2 The Directing Committee has received no responses from the Finance Committee Members, except for Chile, France, the Russian Federation and the UK, all of whom have stated that they have no observations or comments to make.

5 Comments and/or changes proposed by Member States, if any, will be taken into account by the IHB when preparing the final version of these documents which will be implemented in January 2010.

On behalf of the Directing Committee
