INTERNATIONAL HYDROGRAPHIC SEMINAR IN INDIA

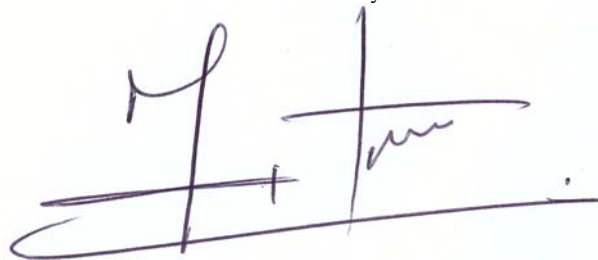

Dear Hydrographer,

The Directing Committee would like to bring to your attention that 3rd & 4th March 2011 the Indian Naval Hydrographic Department is organizing an International Hydrographic Seminar and Exhibition, Hydro-Ind 2011, in New Delhi.

The seminar will follow the meeting of the North Indian Ocean Hydrographic Commission (NIOHC) that will take place on the 1st & 2nd March. The theme of the Seminar is "**Hydrography: An instrument for regional cooperation and maritime safety**".

Member States are requested to examine their participation in this seminar and the presentation of appropriate papers. Any further information on this seminar can be obtained directly from the Indian Naval Hydrographic Department.

On behalf of the Directing Committee
Yours sincerely,

Vice Admiral Alexandros MARATOS
President
