

IHB File No. S1/3013

CIRCULAR LETTER 15/2011
10 February 2011

SAFER SEAS ("TOWARDS SAFER, CLEANER SEAS")
Brest, France 10-13 May 2011

Ref: IHB Circular Letter 66/2007 dated 17 July 2007

Dear Hydrographer,

1 The IHB wishes to bring to your attention the 3rd international "Safer Seas" event which will take place in Brest, France from 10-13 May 2011, details of which were provided by the Service Hydrographique et Océanographique de la Marine of France (SHOM). The previous edition of "Safer Seas" was announced in the above reference.

2 SHOM is involved in the preparation of this event and will lead a workshop on coastal cartography to take place as part of "Safer Seas". Also, the final plenary session of this event on 13 May will include an IHO-related presentation on the *International Dimension of Hydrography: 90 Years of Cooperation*.

3 Further details can be found, in both English and French, on the following web site: <http://www.saferseas.org/Home-519-0-0-0.html>.

On behalf of the Directing Committee
Yours sincerely,

Vice Admiral Alexandros MARATOS
President
