

IHB File N° S3/0104

CIRCULAR LETTER 14/2012  
03 February 2012

**PRINCE ALBERT I<sup>st</sup> MEDAL FOR HYDROGRAPHY – 2012**

Reference: a) IHB CL 70/2011  
b) IHO Resolution 6/2009

Dear Hydrographer,

1 The Directing Committee is pleased to announce that, as a result of the votes received from the IHO Member States who replied to the above-referenced Circular Letter - Algeria, Argentina, Australia, Brazil, Canada, Chile, Ecuador, Egypt, Finland, France, Germany, Guatemala, Korea, Rep. of, Netherlands, Norway, Spain, Tunisia, UK and USA - the Prince Albert Ist Medal for Hydrography - 2012 has been awarded to the article "**Multibeam Processing for Nautical Charts**" the authors of which are LCdr. Aluizio Macel de Oliveira and Cdr. Izabel King Jeck, both from the Directorate of Hydrography and Navigation (DHN), Brazilian Navy, Brazil.

2 It is planned that the presentation of the Prince Albert Ist Medal for Hydrography - 2012 will be made by HSH Prince Albert II at the Opening Ceremony of the XVIIIth International Hydrographic Conference (Monaco) on Monday, 23 April 2012.

3 The Directing Committee congratulates the winning authors as well as all the authors who contributed to the International Hydrographic Review during the period 2007-2011.

On behalf of the Directing Committee  
Yours sincerely,

Captain Hugo GORZIGLIA  
Director
