NATIONAL EXPERTS ON THE LAW OF THE SEA

- References: a) IHB CL 48/2011 dated 9 August 2011
b) IHB CL 62/2011 dated 13 October 2011

Dear Hydrographer,

1. At the references, the Directing Committee sought information for, and subsequently distributed, an updated list of IHO Member States' Experts on the Law of the Sea. The latest version of the list is available in the ABLOS section of the IHO web site at:
http://www.iho.int/mtg_docs/com_wg/ABLOS/ABLOS_Misc/ABLOS_expertslist.pdf
2. Member States are requested to review that list and submit any amendments to the IHB by 31 December 2012. An updated list will then be forwarded to the United Nations International Tribunal for the Law of the Sea.
3. The Directing Committee will request up to date information from Member States on an annual basis; however Member States are encouraged to send amendments to the list at any time in order to ensure that the version maintained in the ABLOS section of the IHO web site is current.

On behalf of the Directing Committee
Yours sincerely,

Gilles BESSERO
Director
