

IHB File No. S3/2630

CIRCULAR LETTER 26/2013
27 March 2013

IHO-IOC GEBCO GUIDING COMMITTEE (GGC)

NEW IHO REPRESENTATIVES

Reference: IHB CL 06/2013 dated 18 January - *GEBCO Guiding Committee (GGC) - Membership and Vacancy - Request for IHO Nominations*

Dear Hydrographer,

1 At the reference, the Directing Committee informed Member States that two positions had become vacant on the IHO-IOC GEBCO Guiding Committee (GGC) due to the retirement of Ingénieur général Etienne Cailliau (France) and Dr Kunio Yashima (Japan). The Directing Committee sought nominations for new representatives and has since received well-qualified nominations from Japan and India.

2 As there were no other nominations received from Member States by the closing date there is no requirement for any further selection process. Accordingly, Mr Shin Tani (Japan) and Commander Peush Pawsey (India) have been appointed to serve as IHO representatives on the IHO-IOC GEBCO Guiding Committee for the period 2013-2018.

On behalf of the Directing Committee,
Yours sincerely,

Mustafa IPTES
Director
