

IHB File No. S1/0402

CIRCULAR LETTER 39/2016
19 August 2016

Former Director Adam KERR

Dear Hydrographer,

1 It is with great sadness that the Directing Committee has to announce the death of Adam KERR, who passed away in his home in Larmona (United Kingdom) on 8 August 2016.

2 Adam KERR was a member of the IHB Directing Committee from 1987 to 1997. By a sad coincidence, he had self-published his memoirs under the title "*Charting Polar Seas - The life, careers and interests of Adam Kerr - chartmaker, sailor and fisherman*" a few weeks ago.

3 A more detailed obituary retracing his distinguished career will be published in the next issue of the International Hydrographic Review.

4 The Directing Committee and Staff of the IHB offer their most sincere condolences to his wife Judith and their sons Andrew and Timothy.

On behalf of the Directing Committee
Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Robert Ward', is written in a cursive style.
