Dear Sir,

1. Bangladesh Navy is looking around to procure a Hydrographic cum Oceanographic Survey and Research Vessel to conduct training and collect relevant data from Bay of Bengal. The ship may be of 1900-2100 tons of displacement and equipped to collect data in the field of Oceanography and Marine Geology. This office is interested to procure such ship as available 'Off the Shelf' or take on lease from any country/reputed International Organisation.
2. Your esteemed office is requested to furnish information regarding any Member State or Private Agency/Organisation is willing to sale or provide on lease of such ship. Bangladesh Navy will contact directly to the concerned Member State or Private Agency when such information is received.
3. Your co-operation in this regard will be highly appreciated.

  
**M S HAQUE**  
 Commander BN  
 Director of Hydrography
