**COURS MULTIFAISCEAUX
ORGANISE PAR LE SERVICE HYDROGRAPHIQUE AUSTRALIEN**

Monsieur le Directeur,

Le BHI a l'honneur de vous informer que le Service hydrographique australien organisera le 38^e cours multifaisceaux du groupe sur la cartographie océanique à Sydney, Australie, du 18 au 23 juillet 2005. Les détails du cours sont communiqués dans la pièce jointe.

Veillez agréer, Monsieur le Directeur, l'assurance de ma haute considération,

Pour le Comité de direction

Vice-amiral Alexandros MARATOS
Président

P.J : 38^e cours multifaisceaux du groupe sur la cartographie océanique (*en anglais*).

38th Ocean Mapping Group Multibeam Course

**Co-hosted by:
The Australian Hydrographic Service**

When and where:

18 to 23 July 2005

The Women's College, University of Sydney
Sydney, Australia

Highlights:

- World recognised course of excellence, including 36 course lectures and approx. 2000 double sided pages lecture notes;
- Lectures provided by four world renowned swath specialists;
- Based on a track record of over 35 previous successful (oversubscribed!) courses run worldwide;
- Demonstration of multibeam system;

Topics covered:

- Review of underwater acoustics and overview of acoustic seabed mapping systems;
- Multibeam principles and multibeam calibration methods;
- Positioning and motion compensation for multibeam surveys;
- Multibeam survey planning;
- Data structures and multibeam data processing;
- Seabed acoustic backscatter and characterization;
- Visualisation methods and quality control.

Cost:

Course enrolment is limited to a maximum of 50 participants. The registration fee of \$3,100 (USD) includes all course materials and lunch for all 6 days (but excludes accommodation). Accommodation is available at the venue at the cost of \$70 (AUD) per night B&B. The booking for the B&B will be co-ordinated by the course organisers, but payment is to be made directly to The Women's College. Details of the venue and can be found at the following web page - www.thewomenscollege.com.au
