

Dr. Nicolas Leroux is an associate with LALIVE, an international law firm based in Geneva. His practice focuses mostly on public international law, with a special emphasis on international boundaries, the law of the sea, international environmental law and other general international law matters. Dr. Leroux holds a PhD in international law from the University of Paris 2 (Panthéon Assas) and has been a visiting researcher at the University of Montreal and the Graduate Institute of International Studies in Geneva. He has published articles and a book on various issues of public international law.
