

PROJECT SUBMISSION MODEL

IDENTIFICATION

Project Number :

Project Name:	Joint Meeting of the NAVAREA and Capacity Building Coordinators
Submitting RHC/Country:	IHB
Date:	2016
Institution executing the project:	IHB
Name of responsible:	AD Alberto Costa Neves
Address:	4b quai Antoine 1er – Monaco
Telephone:	+377 93 10 81 07
Fax:	+377 93 10 81 40

GENERAL SPECIFICATIONS

(Please provide detailed information in Annex of no more than three pages)

Background information	<ol style="list-style-type: none"> At WWNWS6, it was agreed the process outlined in document WWNWS6/5/2b would be followed to identify National Coordinators of coastal states within respective NAVAREAs, which the NAVAREA Coordinator identified were in need of or would benefit from MSI training. Only one NAVAREA report was received in 2015. None in 2016. Despite the contents of most reports provided to RHC meetings, evidence from IHB attendance at RHC meetings, particularly the MACHC, NIOHC, SAIHC and SWPHC, indicates that the infrastructure, knowledge and capability of a number of coastal states is a long way short of achieving the IHO CB Phase 1 level necessary to meet their SOLAS V/9 requirements. Even for those states which have received MSI training there appears to be limited follow up or monitoring of performance. NAVAREA Coordinators were requested to consider adopting the processes articulated in WWNWS6/5/2b – to make an annual assessment of the state of provision of MSI within their NAVAREA, identify coastal states/National Coordinators in need of MSI training and engage with the appropriate Regional CB Coordinator to ensure this information is brought to the attention of the CBSC to ensure CB funds are targeted at the most needy regions.
-------------------------------	--

Background information (Cont.)	<p>4. In addition to the process detailed in WWNWS6/5/2b, it was proposed that NAVAREA Coordinators identify in their Self-Assessment reports and reports to respective RHCs, those national coordinators that are not active and who need attention.</p> <p>5. Despite the efforts made, there is a lack of communication between the CBSC and the WWNWS-SC and in particular between CB Coordinators and Navarea Coordinators.</p>
Justification of the project	The workshop aims at improving the cooperation and the coordination between CB Coordinators and Navarea Coordinators in order to improve the assessment of Coastal States' needs for MSI trainings, workshops and infrastructure.

Countries involved	CB Coordinators and the IHB
Exposition of the problem	Lack of communication and coordination between CB Coordinators and Navarea Coordinators that endangers the execution of the IHO CB Strategy
General objective	Establish a better coordination between CB Coordinators and Navarea Coordinators to assure that all Coastal States achieve the CB Phase 1.
Specific objectives	Identify the existing mechanisms for coordination and the way to make them efficient. Propose amendments to the existing rules. Propose lines of action to both the CBSC and the WWNWS-SC.
Outputs/Products	Efficient communication and coordination between CB Coordinators and Navarea Coordinators.
Other deliverables	Amended documents that regulate the assessment of the CB needs in Coastal States to achieve the CB Phase 1
Achievements and awaited benefits	All Coastal States achieve the CB Phase 1 in accordance with the IHO CB Strategy.

Schedule of activities	<p>Day 1: workshop with CB Coordinators and Navarea Coordinators</p> <p>Day 2: workshop for CB Coordinators to report to WWNWS8</p>
-------------------------------	---

RESOURCES

Contribution by countries involved	Nil
Contribution by other parties	Nil

Contribution expected from CBCFund	Travel = 10 570,00 Euro <i>Perdiem</i> = 5 620,00 USD = 5 125,00 Euro Total 15 695 Euros
Total Cost (euros)	15 695 Euros
Breakdown of costs	Travel and perdiem

From CB Fund (item and amount)	Travel = 10 570,00 Euro <i>Perdiem</i> = 5 125,00 Euro Total 15 695 Euros
---------------------------------------	---
