

COMMISSION ON PROMULGATION OF RADIO NAVIGATIONAL WARNINGS

IHB File N° S3/3084

COMM. Letter No. 1/2007
3 May 2007

Subject: Ninth Meeting of the CPRNW

Dear Colleague:

As previously announced in September 2006, the Ninth Meeting of the CPRNW will be held from 11 to 14 September 2007 at the IHB in Monaco. As I anticipate a full agenda with discussions concluding late on the last day, I encourage you to make travel arrangements to depart on Saturday 15 September 2007.

For hotel reservations, please refer to the IHO website <http://www.iho.shom.fr/> and go to "About the IHO", and then "Visiting the IHB" where you can find all the hotels. Note: Anyone reserving rooms at the Terminus should quote IHO-CPRNW when booking. After making your reservation, please inform the IHB (sshipman@ihb.mc) of the arrangements that you have made.

The Proposed Agenda for the Ninth Meeting and the format for submitting papers for consideration are forwarded as attachments 1 and 2 respectively. Please note that your Agenda Item(s) should be numbered according to the proposed agenda, e.g. a paper that deals with the GMDSS Master Plan would fall under item 2 on the agenda and should therefore be numbered CPRNW9-2-X where the value for X will be allocated by Steve Shipman and myself as papers are received.

Please note that for Agenda Item 3.2 *NAVAREA Assessments of Navigational Warnings Services by Co-ordinators*, NAVAREA Co-coordinators should prepare a NAVAREA assessment paper using the format in attachment 3. The paper should outline existing and planned navigational warning facilities, both SafetyNET and NAVTEX, in their NAVAREA to meet the requirements of the GMDSS.

The deadline for the submission of papers for consideration at the meeting is 1 August 2007. All documents will be posted on the IHO website from where they can be downloaded. www.iho.int > Committees > CPRNW.

I look forward to seeing you in Monaco.

Very Best Regards,
