

International SafetyNET Coordinating Panel

Terms of reference

To co-ordinate the development and use of the International SafetyNET Service, and in particular to:

1. Develop operating methods for the effective use of the SafetyNET service, including consideration of the need for scheduled broadcasts;

Terms of reference

2. Develop documentation in support of the SafetyNET service, in particular the International SafetyNET Manual;

Terms of reference

3. Advise Land Earth Station (LES) operators and potential registered information providers on all aspects of the Service, including system access and effective operation;

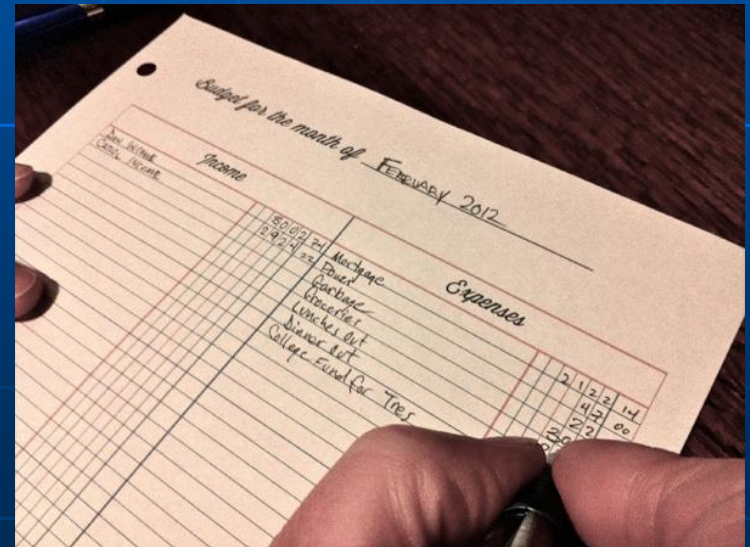

Terms of reference

4. Develop criteria and establish means for the approval and registration of potential information providers;

Terms of reference

5. Coordinate the registration of potential information providers; and
6. Promote a proper understanding of the benefits and use of the International SafetyNET Service among the wider maritime community.

- IMSO

Expert Team on Maritime Safety Services (ETMSS) of the Joint WMO/IOC Technical Commission for Oceanography and Marine Meteorology (JCOMM)

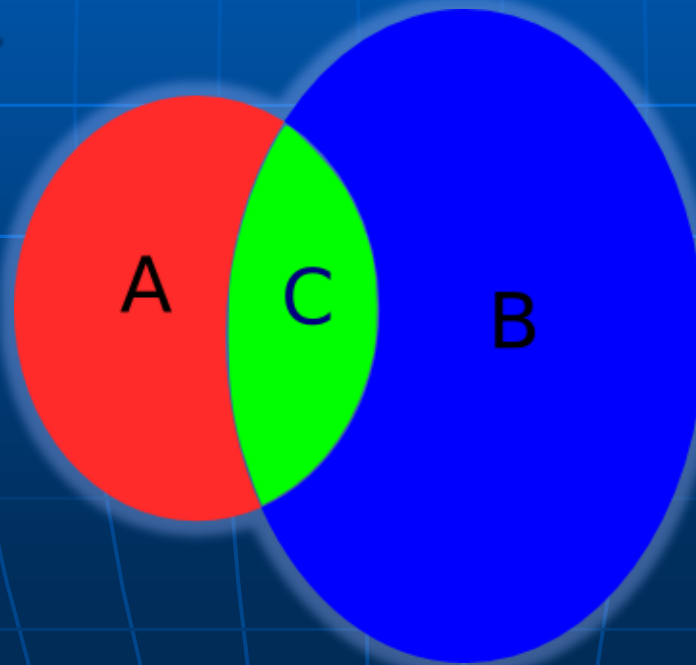

Authorization, certification and registration

1. Authorization is carried out by IMO in consultation with IHO and WMO as appropriate.
2. An information provider must apply to the relevant international organization for approval to participate in the internationally coordinated service:
 1. Meteorological authorities – to WMO;
 2. Hydrographic authorities – to IHO;
 3. Search and rescue authorities – to IMO;
 4. The International Ice Patrol – to IMO;
 5. Others – to IMO.

Considerations

1. The established and expected availability of other information sources for the area concerned; and
1. The need to minimize duplication of information as much as possible.

Certification

1. The relevant international organization will inform IMO of endorsed applications

1. On receipt of IMO authorization, the International SafetyNET Coordinating Panel will issue a Certificate of Authorization to Participate in the International SafetyNET Service

5 Sample Certificate of Authorization
