

MAP the GAPS

A GEBCO Symposium on Bathymetry

Portsmouth, New Hampshire, USA
06 November 2019

www.mapthegaps.org

LISTEN • LEARN • SHARE • ENGAGE

Join the world's experts on ocean floor mapping for a **special one-day event** focused exclusively on **bathymetry**. In addition to several speakers, there will be two panel sessions with leaders and innovators.

Panel 1: Global and Regional Mapping Challenges and Opportunities

Highlighting the current and pending projects to thoroughly map underwater topography.

Panel 2: Emerging Technology

Showcasing several areas of development designed to advance and transform the industry.

REGISTRATION IS FREE UNTIL SEPTEMBER 30

All are welcome. Speakers and panelists will include industry leaders, explorers, professionals, researchers, makers and students. Attendees are also welcome to participate to GEBCO's Technical Sub-Committee meetings on Ocean Mapping (TSCOM), Regional Undersea Mapping (SCRUM) and Outreach & Public Engagement (SCOPE) on 04 - 05 November.

Some of the invited speakers:

Simon Winchester
Award-Winning Writer,
Journalist, Traveler

Jyotika Virmani
Executive Director of
Planet and Environment
XPRIZE Foundation

Nicole Raineault
