

Comments:

- ENC volumes to the nearest 100.
 - * Brazil and Mozambique are members of both RENCs. Both IC-ENC and PRIMAR totals include the 137 Brazilian cells.
 - ** USA is a member of IC-ENC. The 1163 ENCs will enter IC-ENC folio in Q2 of 2016.
- Orange dashed line: PRIMAR members ENCs available to IC-ENC for quality assurance work, through RENC co-operation programme. (e.g. French ENCs for consistency check with Belgium ENCs)
- Blue dashed line: IC-ENC ENCs supplied to PRIMAR under the VAR Agreement, available for quality assurance work under the RENC co-operation programme.
- All eight IC-ENC VARS receive the same terms and conditions, IC-ENC and PRIMAR ENC folio under combined sales rules.
- Users benefit from a variety of services, they select the one that best meets their needs.
- Except those Non RENC HO with limited distribution arrangements (few services), black line, users in these areas must use the specific services.
