

MARINE SPATIAL DATA INFRASTRUCTURES WORKING GROUP (MSDIWG)

Terms of Reference

- Ref: 1) 1st HSSC Meeting (Singapore, October 2009)
2) 5th HSSC Meeting (Shanghai, China, November 2013)
3) 6th HSSC Meeting (Valparaiso, Chile, November 2014)
4) 7th IRCC Meeting (Acapulco, Mexico, June 2015)

1. Objective

Support the activities of the IHO related to Spatial Data Infrastructures (SDI) and/or Marine Spatial Data Infrastructures (MSDI).

2. Authority

This Working Group (WG) is a subsidiary of the Inter-Regional Coordination Committee (IRCC). Its work is subject to IRCC approval.

3. Procedures

The WG should:

- 3.1. Monitor national, regional and international SDI activities and trends, and present information on those activities to IRCC members by correspondence and at the annual meeting.
- 3.2. Promote the use of IHO standards and member state marine data in SDI activities.
- 3.3. Liaise, as appropriate, with other relevant bodies to increase the visibility of marine spatial data.
- 3.4. Identify actions, procedures and resolutions that the IHO might take to contribute to the development of SDI and / or MSDI in support of Member States.
- 3.5. Determine any actions that the IHO and individual Member State might take to forge links with other bodies (e.g. OGC, ISO TC211, IOC) to ensure Member States are best placed to meet the developing challenges associated with data management and governance.
- 3.6. Identify and recommend possible solutions to any significant technical issues related to interoperability between maritime and land based inputs to SDI, and in particular:
 - a) Datum issues.
 - b) S-100 interoperability with SDI.
 - c) S-100 interoperability with oceanographic, marine biological, geological and geophysical data structures.
- 3.7. Identify any IHO capacity building requirements related to MSDI.
- 3.8. Develop a syllabus for MSDI familiarization.
- 3.9. The WG should work by correspondence, and use group meetings, workshops or symposia only if required. When meetings are scheduled, and in order to allow any WG submissions and reports to be submitted to IRCC on time, WG meetings should not normally occur later than nine weeks before a meeting of the IRCC.
- 3.10. Submit a report annually to IRCC.

4. Composition and Chairmanship

- 4.1. WG shall comprise representatives of Member States, Expert Contributors and Accredited NGIO Observers, all of whom have expressed their willingness to participate.
- 4.2. Member States, Expert Contributors and Accredited NGIO Observers may indicate their willingness to participate at any time. A membership list shall be maintained and confirmed annually.

- 4.3. Expert Contributor membership is open to entities and organisations that can provide a relevant and constructive contribution to the work of the WG.
- 4.4. The Chair and Vice-Chair shall be a representative of a Member State. The election of the Chair and Vice-Chair should normally be decided at the first meeting after each ordinary session of the Conference (Conference to be replaced by Assembly when the revised IHO Convention enters force) and, in such case, shall be determined by vote of the Member States present and voting. If the Chair is unable to carry out the duties of the office, the Vice-Chair shall assume the Chair with the same powers and duties.
- 4.5. Decisions should generally be made by consensus. If votes are required on issues or to endorse proposals presented to the WG, only Member States may cast a vote. Votes shall be on the basis of one vote per Member States represented. In the event that votes are required between meetings or in the absence of meetings, including for elections of the Chair and Vice Chair, this shall be achieved through a postal ballot of those Member States on the current membership list.
- 4.6. If a secretary is required it should normally be drawn from a member of the WG.
- 4.7. Expert Contributors shall seek approval of membership from the Chair. Expert Contributor membership may be withdrawn in the event that a majority of the Member States represented in the WG agrees that an Expert Contributor's continued participation is irrelevant or unconstructive to the work of the WG.
- 4.8. All members shall inform the Chair in advance of their intention to attend any meetings of the WG. In the event that a large number of Expert Contributor members seek to attend a meeting, the Chair may restrict attendance by inviting Expert Contributors to act through one or more collective representatives.
