Getting to the Hotel from the Gimhae International Airport

At the Gimhae International Airport, you can take either a taxi or an airport limousine to the hotel.

By Taxi

- Approximately 50 minutes, taxi charge to be approximately 16,000 KRW.

Note: Participants are recommended to choose taxis over public transport as the latter requires transferring several times.

OR

By Airport Limousine

Take the airport limousine for the Seomyeon/Busan Station Line at the bus stop No. 2 at the Gimhae Airport and get off at the Jungangdong bus stop. The Hotel is within 5 minutes walking distance from the Jungangdong bus stop. We recommend you to cross the street rather than using the subway stairs (Jungang St.) for your convenience.

Domestic Terminal Airport Limousine Bus Stop No. 2

Weather In December, it is winter in Busan. The average temperature is approximately 4.7°C, but the temperature could vary between 1°C and 12°C. The weather could change quite suddenly so we recommend you to prepare an umbrella and an extra set of warm clothes. Please check the latest weather information prior to your departure for Korea. (<http://web.kma.go.kr/eng/index.jsp>)

Daylight sunrise is at about 7:17am and sunset is at about 5:11 pm

Official Language The official language of the ROK is Korean. However, most of the street and road signs are written in both Korean and English. Services are available in English at airports and hotels.

Tourist Information Busan is the ROK's second largest metropolis after Seoul, the capital. It has Korea's longest beach and the world's fifth busiest seaports by cargo tonnage. It is one of the most famous tourist locations in Korea and you can find traditional and historic sites as well as lots of modern shopping and entertainment districts. More information can be found at: <http://www.tripadvisor.com/Tourism-g297884-Busan-Vacations.html>

Travel Documents & Visa You can check the required travel documents by country at: http://www.mofat.go.kr/ENG/visa/application/index.jsp?menu=m_40_10

Electricity Electrical voltage is 220V. Power sockets are of Type C Europlug, and Type E/F Schuko.
