

# Producer Agency Codes

- Initially published as Annex A to the S-57 Object catalogue
- Moved into a new publication S-62 after S-57 was frozen in 2000
- At that time Open ECDIS forum established a list of private Producer Agency Codes
- In 2010 the S-62 codes and the OEF codes were merged and moved into the (Barry Greenslade) Registry. Output to a PDF document – available from the IHO website
- S-62 database not yet moved to the now KHOA Registry application.
