

**COMMENTS BY NIGERIA on S- 23 WG Letter No. 04/2011**

Nigeria is committed to the success of the WG. Consequently, we concur with the items proposed in paragraph 4.1 of SW-23 Letter No.04/2011 dated 22 July 2011. We wish to add that a face to face meeting may only be necessary if the point raised in Para 4.1 bullets point 3 does not yield any way forward.

We also once again express our thanks to the Chair for his great leadership in the entire proceedings of the WG.
