

SCUFN28-05.3A
Report of UNGEGN and UNCSGN

The 28th session of the United Nations Group of Experts on Geographical Names (UNGEGN) was held from 28 April to 2 May 2014 at the United Nations Headquarters in New York City. The IHO report to UNGEGN 28 was included in the documentation for SCUFN 27 (2014).

Starting with UNGEGN 28, the session reports are far less detailed than in previous years. There were no significant discussions or issues related to the work of SCUFN during the meeting.

The 29th UNGEGN session is scheduled to be held 25-29 April 2016 in Bangkok, Thailand. The 11th United Nations Conference on the Standardization of Geographical Names is scheduled for 2017. No additional details are yet available.

By way of general information, the reports and documents of UNGEGN and the UNCSGN are posted at the web site of the United Nations Statistics Division (<http://unstats.un.org/unsd/geoinfo/default.htm>). The UNGEGN session and UNCSGN conference reports are available in the six official languages of the United Nations.
