# ENC Production Technique Transfer Project

## To Philippine (2000-2005)

Sponsored by JICA

Several ENCs have been  
launched since 2003

- ENC technical seminar (1994,1995,1996, 2007, 2008)
- International Symposium/Seminar on Improvement of ENC Coverage and Availability in Asia and Adjacent Area (2007, 2008)
- ENC technical assistance project by ODA (2008-planning)

What I introduced today is a few example of cooperation of HOs in the world

Hydrographic community will achieve the commitment to cover adequate ENC's of the world by 2010
