Transportation and Accommodations

Flying to Iqaluit

Iqaluit is an approximately 3-hour flight from Montréal or Ottawa.

There are limited airlines servicing Iqaluit, however, one of them, **First Air**, is an Ocean Innovation (OI) 2016 sponsor and is offering discounted fares for OI participants.

It is recommended that ARHC6 participants alert their travel arrangers of these applied discounts and that they contact **First Air** directly. Note that **First Air** is unable to book international travel.

Please cite either CR16/03/045 or promotional code CEA45 when making bookings with **First Air**.
