Table 3: Summary of time schedules of National Re-survey Schemes, by 29 May 2013.

Recommendations

Sweden is willing to take the lead in submitting an application and lead a possible project, provided that the cost for project management is covered within the project.

- BSHC – EU MS to jointly apply for EU co-financing for the finalization of the re-surveying of HELCOM Cat I and II shipping routes
- Inform Sweden regarding the respective MS willingness to participate in an application and a project – before 30 November 2013
