Historical review of the EAHC activities

- In 1968, the preparatory meeting was held in Tokyo

- The 1st conference of the EAHC in 12th – 16th Apr.,

-> EAHC was established with 6 countries; China, Indonesia, Japan, RoK, Philippines, Thailand

- Until 2018, 4 members have been added as the member status of the EAHC

-> Brunei, DPRK, Malaysia, Singapore

- Some are awaiting and considering to join EAHC.

-> Cambodia, Timor Leste, Vietnam

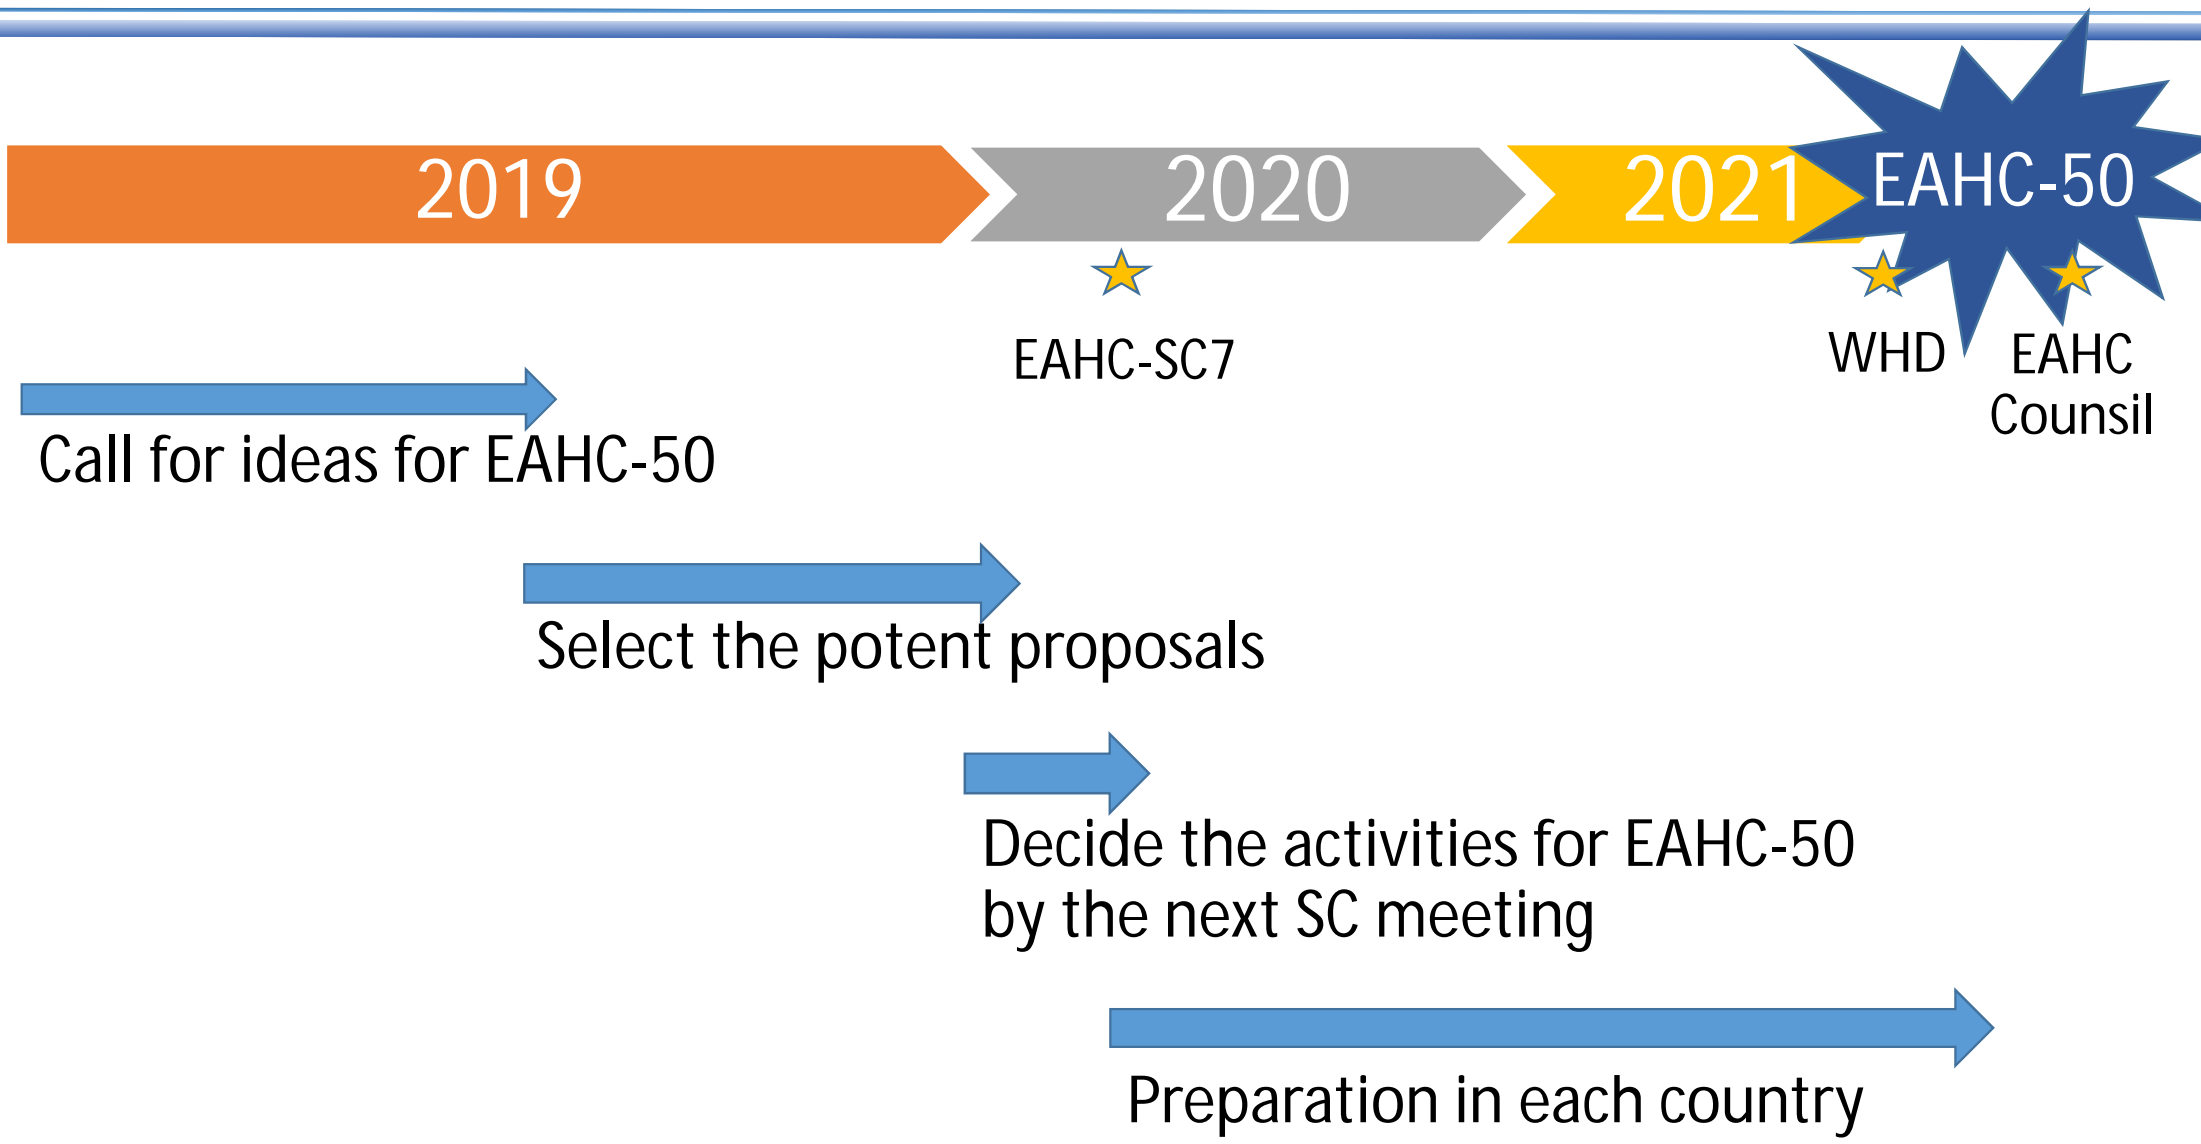

The EAHC is still developing!

The EAHC 50 years Celebration (EAHC-50) **JAPAN COAST GUARD**

- Apr. 2021 will mark the half-century of the 1st Conference of the EAHC.
- Also, 2021 will be the century of the establishment of the IHB in 1921 in Monaco
- World Hydrographic Day 21th June 2021 is the “peak of the peak” for IHO-100

2021 is the perfect opportunity for public relations of our hydrographic activities!

Draft Schedule for EAHC-50

(Ex.)

- Emphasize the importance of our hydrographic activities
- Mine the needs of Marine Spatial Data Infrastructure
- Enhance the co-operation in east Asia region for hydrographic survey and Charting
- Enhance the Capacity Building Program in the EAHC

- The budget and manpower of permanent secretariat is not enough to carry out a big activity.
- Proactive co-operation by each country is necessary to make big activities for EAHC-50.

We are awaiting the amazing proposal for EAHC-50!

- The past activities of EAHC is the basis of the present EAHC.
- No need to be arrested by the past in the discussion of EAHC-50
- Recommend that proposed activities for EAHC-50 are future oriented

Think Future!
