

Hydrographic Commission on Antarctica

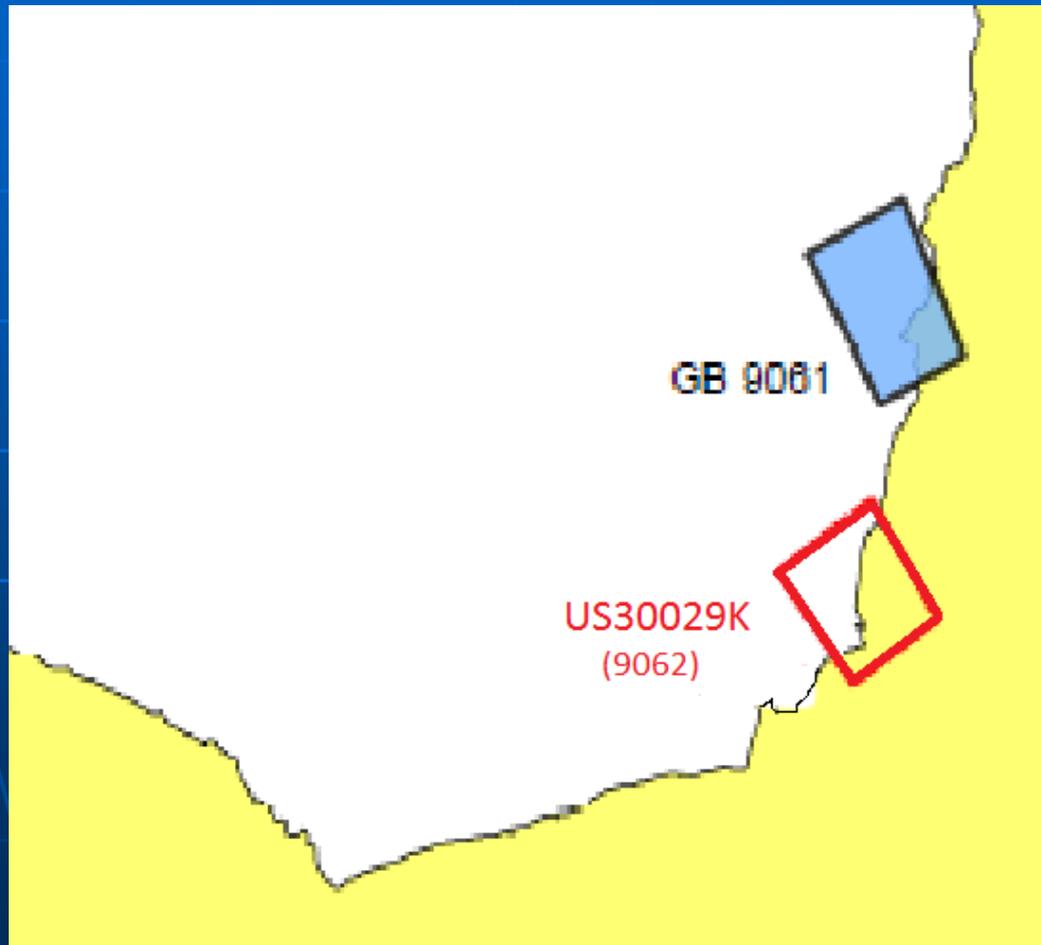

National Report by
United States

Survey and charting progress in Antarctica since last meeting

- ✦ Completed ENC Cell 30029K, Vahsel Bay and Vicinity including Belgrano Station
- ✦ Both US ENC Cells available at <http://www.charts.noaa.gov/ENCs/ENCs.shtml>

New US ENC Cell

Planned activities for 2013/14

- ✦ US currently has no planned activities for 2014

Any other matters of relevance to HCA

- ✦ US representative brought more Antarctic surveying forward to US State Department prior to ATCM meeting
- ✦ Surveying outside US waters mainly driven US Navy priorities
