Overview of MEIP report to MACHC

ACHIEVEMENTS

- Regular teleconference attendance
- Some data made available
- Two demonstrator platforms produced
- Cross-stakeholder Maritime funding meeting - Feb 2013

Overview of MEIP report to MACHC

CHALLENGES

- Currently MEIP-WG has NO funding
- MS have little resources to devote beyond “day job”
- Governance and data are fundamental
- National MSDI/Policy – IPR

Overview of MEIP report to MACHC

Next steps

- Reissue questionnaire to identify requirements and resources available to commit to MEIP for 2014.
- Engage with IHO MSDI WG to ensure this work is not done in isolation and has the IHB overview.
- Review and feedback comments to this report
- Dependent on the outcomes of the questionnaire and the approach to MSDI WG, a business case and requirements document is produced and reviewed by MS through MACHC

Overview of MEIP report to MACHC

MEIP recommends:

- Engage with IHO MSDI WG to ensure this work is not done in isolation and has the IHB overview. (Feb 14 meeting)
- MS review demonstrators/feedback (End Jan 14)
- MS Review questionnaire/ data reqts feedback (End Jan 14)
- MACHC considers MEIP report
